“ My prayers go out to Carol and her family. I remember such good times in High School and together in the Alumnae. We shared so many laughs. Carol could always make you smile. May she rest in peace in God's loving arms.

“ My thoughts and prayers are with Carol's family & friends in your time of loss. I was also a student at Josephinum in Chicago ('67) although not in Carol's class.

“ I am sad to hear of Carol's passing. I am also sad I did not know she was so near to my current home. We were not in touch after high school, but she was a dear friend in school - a role model for me as an upperclass member. I have very fond memories of her smiles and laughter. May she rest in peace and may her family find comfort in fond memories.

“ Carol and I worked on school plays together at Josephinum. We became good friends and had many wonderful times together. Carol gave me the gifts of friendship and lots and lots of laughter. My heart goes out to her family and friends. The world is less bright without her.
