“ I was so sorry to hear about Roxanne. My deepest sympathy to the family.

I worked with Roxanne when it was MCJVS. She was such a wonderful person. She was loved by all who knew her. I still have the ceramics she made for us as Christmas presents. I think of her every time I see them.

“ We, the Martin family, would like to send our deepest sympathies to you. Roxanne was a wonderful woman. She is loved by many people. I worked with Roxanne while she was employed at the MVCTC and she was the kindest person I have worked with. I also remember her opening her home to the cheerleaders for dinner, sleep overs or just to come over and hang out. That's the kind person she was. She is greatly missed.

Sincerely,

“ Greatest memory of Roxanne was her sense of driving directions. Getting lost coming to the lake. Could see the trailer across the lake but couldn't figure out how to get across. Love your sense of humor and how God was so important to you and your family. May you Rest In Peace and now loving all those who are with you. Give a hug to my mom and dad. Love you girl. “ My memory of Roxanne is when you were 3 years old, you always helped your mom fold the wash cloths and dish towels. You would stand and fold them so your corners met and layed them on the table all in same direction. The many great time we had working at the Big Preble County fair, and watching those judges taste all those cakes as our mouths watered. You are such a special person and was always there to help, Listen or give hugs to everyone. I love you Roxanne. Aunt Mary
